March 14, 2020

Our planet earth, at this difficult and challenging time, suffers from the COVID-19 pandemic that has affected so many people and reaped thousands of lives. To face this health and life-threatening pandemic, it is essential for our people and communities to adhere by the provisions and instructions of the civil authorities within the countries we live.

At the same time, we, the Patriarchs and Heads of Churches in Jerusalem, call upon Almighty God to look on our situation and be gracious to our suffering world. We are all called to live this time continuing to trust in our heavenly Father who takes care of all His creatures. It is therefore good that we intensify personal prayer, fasting and alms-giving and to walk in the light of God's love.
