"To H.E. Archbishop of Constantina,

Your Eminence!

Hungary has continuously provided scholarships to talented Palestinian students since the 1970's among them many Christians, who are playing important roles in the Palestinian society. The Government of Hungary established the Stipendium Hungaricum programme 5 years ago, which created a new institutional framework for the international students' studies in Hungary. In this framework Hungary signed an agreement with the Ministry of Higher Education of Palestine on providing 60 full scholarships for talented Palestinian students for Bachelor, Master and PhD level studies. The Call for Application for the next year has been announced on the website of the Ministry of Higher Education with the deadline of 15th January, 2019. The Call for Application is available here:
